

Shasta Shacks

Shasta Shacks is your place to enjoy a perfect family vacation.

Located just steps away from 365 miles of beautiful Lake Shasta beaches, Shasta Shacks is an ideal location for a family reunion, or a two family vacation on the Lake! Shasta Shacks is owned by avid water enthusiasts, who thought long and hard about what they wanted in a vacation rental. When they recently remodeled both units, they came up with something simple and easy to relax at after a great day on the lake. There is a huge deck for resting, barbecuing & even star gazing in the clear mountain air, comfortable furnishing, and plenty of 'laid-back vacation atmosphere' to go around! Each duplex comfortably sleeps 5 with connecting doors (that lock) between for those of you that vacation with family and friends.
